The Beazley Institute for Health Law and Policy, established in 1984, is one of Loyola University Chicago’s Moody Institute for Health Law and Policy to “educate the health law leaders of tomorrow.” One of the leading  health law centers in the country, the Beazley Institute focuses on six core competencies: corporate and transactional health law, life sciences law, bioethics, health policy and public health law, administration, pharmacy, nursing, and dentistry. ASLME’s Annual Professors Conference will be held June 5-7, 2019 in Chicago, IL.
